

Paul J. Wellman, Ph.D.  
Associate Dean for  
Facilities & Information Technology  
paul-wellman@tamu.edu  
Appointed: June 1, 2022

Dr. Paul J. Wellman is a professor of psychology and a neuroscientist with specialty in behavioral and cellular neuroscience. He serves as Associate Dean for Facilities and Information Technology in the College of Arts and Sciences. Dr. Wellman joined the Texas A&M faculty in 1980 as a member of the Department of Psychology, where his research program focuses on the psychopharmacology of appetite suppressants. He has received more than \$1.7 million in external research funding from the National Institutes of Health and written more than 150 peer-reviewed journal articles as well as four book chapters. He is a member of the Texas A&M Institute for Neuroscience. Dr. Wellman has taught graduate and undergraduate courses in physiological psychology. He was recognized with a Texas A&M Association of Former Students Distinguished Achievement Award in Teaching in 1986. Dr. Wellman previously has served as associate dean for facilities and information technology in the College of Liberal Arts (2014-2022) as well as Head of Psychology (1993-2002).
